In accordance with § 12 (1) of the Bylaws of the Company, the Supervisory Board of Wienerberger AG has approved the following Rules of Procedure for its activities:

Preamble

The tasks/responsibilities of a supervisory board under Austrian's two-tier board system consist in

- supervising the company's management,
- supporting the company's top management in strategic decision-making and in the
- ex-post control of the management's decisions/acts/measures.

As a consequence, the Supervisory Board bears a part of the company's entrepreneurial responsibility. While the responsibility for the strategic and operational management of the company remains with the Managing Board, the Supervisory Board participates in corporate decision-making in accordance with the regulations hereof. These Rules of Procedure aim at implementing certain relevant provisions of applicable EU legislation, Austrian Stock Corporation Law and the rules of the Austrian Code of Corporate Governance in the legal framework of the Supervisory Board's work. To the extent not expressly stipulated herein, the aforementioned sources of law shall apply.

§ 1 Meetings of the Supervisory Board

- (1) The Chairperson, or the First, Second etc. Deputy Chairperson if the Chairperson is unable to do so, shall convene the meetings of the Supervisory Board by notifying the members at their last known addresses by letter or e-mail (if the members have provided an e-mail address). Meetings may also be held by telephone or in another comparable way (e.g. by video conferencing, provided that mutual communication is ensured in an authentic manner). The type of meeting is determined by the Chairperson.
- (2) This notice must allow for a period of at least one week between the date of receipt of notice and the date of the meeting or two weeks in the case of a request by the Managing Board or a member of the Supervisory Board (Sec. 94 Para. 1 Stock Corporation Act) respectively. In urgent cases, the Chairperson may shorten the minimum convocation period in the interest of the Company. The notice must include an agenda, and also indicate the time and place of the meeting. Furthermore, all necessary documentation (proposals and important information for decision-making) should be attached whenever practical. If the proposals and/or documentation for the meetings are extensive, a summary with key facts and figures should be attached whenever possible. The documentation should be provided to the members of the Supervisory Board in advance whenever possible. The Supervisory Board may use the

services of an electronic information-box to that effect, i.e. of a virtual data-room in which the papers for meetings are uploaded and held available for every Board member and Committee member concerned, respectively.

- (3) The Supervisory Board shall be obliged to hold at least four meetings during each business year. These meetings shall be held quarterly.

§ 2 Quorum, Proposals and Minutes

- (1) The Supervisory Board shall be considered to have a quorum when at least three members, including the Chairperson or a Deputy Chairperson, are present at the meeting in person or on any form permissible under § 1 (1) hereof. Par. (2) shall apply analogously to votes made in writing. The delegation of a representative in accordance with Par. (3) is not permitted for voting as described in this Par. (4).
- (5) The members of the Managing Board shall take part in the meetings of the Supervisory Board unless the Chairperson of the Supervisory Board, or a Deputy Chairperson if the Chairperson is unable to do so, determines otherwise.
